Countdown to senior year

It's that time of year again...Spring fever is beginning to set in! These are the last months before summer break. You are getting ready for prom and end-of-the-year activities, signing yearbooks, and breathing a big sigh of relief as you add one more successful year of high school under your belt. Before you know it, you will be taking the last tests, finishing up projects and papers before leaving for a well-deserved summer vacation.

At this time you may have just experienced taking your first ACT or SAT test. Hopefully things went well, and you are confident about your performance. Or you may feel that you didn't do as well as you had hoped. That's all right. It's early enough in the process to retake the test. Check with your guidance counselor or college center. Your school may offer an ACT/SAT prep course for which you can register.

Summer is also a time to schedule some college visits. While summer may include family vacations or a summer job, you can also take some time to include a few college visits. AU welcomes students on campus during the summer months. You can take a tour, meet with an admission representative, and learn about financial aid. Feel free to give us a call for an appointment. Walk-ins are welcome, but appointments are preferred. You can reach our Office of Admission by calling 800-742-5281.
