

# Spring 2012 Involvement Fair

Thursday, January 12  
11:30am-1:00pm  
Thornton Gymnasium  
Aurora University

*Join over 50 student organizations as we welcome students back to school after the winter vacation! After making it through one semester, this is an ideal time to get reenergized for the spring semester and recruit new members for your organization or introduce yourself to some of the campus community you haven't been a part of yet! By being a part of the fair, you will be with hundreds of other AU students!*

1. Each registrant will receive one table and two chairs.
2. Tables will be assigned as registrations are received. Later registrants may have to share tables (depending on number of tables requested).
3. Your organization will be assigned a specific table on the day of the fair. Make sure to set up at the table you are given.
4. The collection of money/sale of products is not permitted.
5. Booth set-up will begin at 11:00am; all booths are to be completely set-up no later than 11:20am.
6. Questions? Please call 630/844/3823
7. There will be a prize awarded (\$50 placed in your student organization's on campus account) to the best table display- this is for student organizations only. Secret judges will be walking around making the decision (rules will follow).
8. It is expected that someone be present at your table for the entire length of the fair (no cleaning up early!).
9. Make sure to clean up after yourselves at the end of the fair.
10. Registration timeline is as follows

All registrations must be received no later than January 9, 2012  
Confirmations will be sent via email
