INDIRECT COSTS

Indirect costs include expenses as books, supplies, transportation, personal expenses, etc. We estimate students will spend between **\$500 and \$600 per semester** on books. The only way a book voucher can be issued is if your financial aid file is complete, your financial aid exceeds your charges, and you have indicated on the Student and/or Parent Authorization Form that miscellaneous charges can be covered by your financial aid.

IMPORTANT BILLING NOTICES

The estimated out-of-pocket may vary from your actual bill depending on individual circumstances such as:

- Registered number of hours
- Living Arrangements
- Lab/Clinical fees
- Tuition deposit and prior balances
- Student insurance
- Late fees

Please consult Student Accounts for current balance and for book voucher availability.
