2006-2007

TRANSFERRING FROM MCHENRY COUNTY COLLEGE TO AURORA UNIVERSITY

GENERAL DEGREE REQUIREMENTS – For the BACHELOR OF ARTS, BACHELOR OF SCIENCE, BACHELOR OF SCIENCE IN NURSING, AND BACHELOR OF SOCIAL WORK

Aurora University has a mathematics requirement that may be met by passing a competency examination (with no credit granted toward the degree) or through the completion of MCC's MAT150 with a grade of C or higher or through coursework at Aurora University. Some majors may require additional math coursework at a higher level.

Associate Degrees - - If you have completed an A.A. or an A.S. degree, you may have met all lower-division general education requirements. Aurora University requires completion of an approved 3000 level general education writing intensive course.

TRANSFER OF CREDIT TO AURORA UNIVERSITY

This Transfer Guide indicates the transferability of the courses offered by McHenry County College.

A maximum of 68 semester hours may be transferred from an accredited two-year institution.

Courses with grades of C- or higher will be accepted, provided that they are designated as transferable courses. Courses numbered below the 100 levels will not be transferred.

When you transfer to Aurora University, you will need to have official transcripts of your work at MCC and all other colleges/universities sent to the Admissions Office. The Aurora University Registrar will then make an official evaluation of your transfer work.

HOW TO USE THIS TRANSFER GUIDE:

At the top of each column of courses you will see the following notations:

1. Course number: The MCC course number according to the 2006-2007 catalog.
2. McHenry Title: The MCC course title.
3. SH: The number of semester hours awarded for the course at MCC.
4. The A.U. course equivalent: Either a specific course or an elective.
5. GER: Indicates how the course may be applied toward general education requirements; APA and APB = Aesthetic and Philosophical Expression, KOA and KOB = Knowing Ourselves and Others, ONW = Observation of the Natural World.
6. Comments: Comments regarding specific transfer regulations.

Some courses are transferable, but cannot be used in a major or to meet general education requirements. This coursework may be used as general elective credit to help complete the minimum 120 semester hours required for graduation.

IF YOU HAVE FURTHER QUESTIONS ABOUT TRANSFERRING:

Contact a Transfer Counselor in the Aurora University Office of Admissions – 630-844-5533 or 1-800-742-5281.
